Two-Digit Addition: Line Up Tens and Ones

Separate guide. Use with the matching activity page.

Answers and explanation

23 + 14 = 37

41 + 28 = 69

32 + 25 = 57

64 + 13 = 77

52 + 36 = 88

71 + 18 = 89

How to support the activity

Each ones sum is less than ten. Ask the learner to explain what the two columns represent. Use tens-and-ones equipment if needed.
