Adjacent Consonants: Hear Every Sound

Keep every sound. Adjacent consonants each have their own sound.

Name: _____

TRY IT TOGETHER

c l a p → **clap** 4 letters, 4 sounds

c and l are next to each other. Hear both sounds.

sh sh is two letters for one sound.

1. Say each sound. Touch each box. Blend. Write the word.

1. flag

Word: _____

2. stop

Word: _____

3. nest

Word: _____

4. hand

Word: _____

Read your four words again. Point to the two consonants that are next to each other in each word.

Use after these letter sounds and sh have been taught. An adult may read the instructions.

Adjacent Consonants: Hear Every Sound

Listen, segment and build. Keep one letter in each sound box.

1. Listen and segment.

Ask an adult to say the two words from the guide. Say each word slowly. Write one letter for each sound, then write the whole word.

1. ☐ ☐ ☐ ☐

Whole word: _____

2. ☐ ☐ ☐ ☐

Whole word: _____

2. Build the word that fits the clue.

Use every letter once. An adult may read the clue.

1. p s e t

Take one _____ at a time.

Word: _____

2. m p l a

Switch on the _____.

Word: _____

Choose one word you have written. Say a sentence that uses it. Listen for every sound as you read your word again.

Adult dictation words are in the separate guide. Letter tiles can be pointed to; no cutting is needed.
