Build a Sentence: Who, Doing, Where

Answers and adult support.

Three model sentences

The fox finds a map in the garden. A small bird carries a seed under the tree. My friend reads a book beside the pond.

Other answers

Other combinations are valid when they make sense and include a subject, an action and a place. Read each completed sentence aloud to check it communicates a complete idea.

Writing check

Look for a capital at the beginning, spaces between words and a full stop at the end. Support transcription separately from sentence composition when needed.
