Compare Fractions of the Same Whole

Compare the amounts with equal-sized whole bars.

Each outline is the same whole. Write <, > or = in the small box to compare the shaded fractions. The parts within each bar are equal.

1. 1/2 ☐ 1/3

2. 1/3 ☐ 1/4

3. 2/3 ☐ 3/4

4. 2/4 ☐ 1/2

Explain number 4 using the shaded lengths.
