Design a Folding Table Place Sign

Plan, make, test and improve a useful sign.

Make a folded-paper place sign for one chosen name. It must stand on a table and be readable by a partner sitting opposite. Use paper and optional tape with adult help. No cutting needed.

Chosen name: _____

Sketch the standing fold and the visible name.

Test with a partner in the agreed place.

Stands without help? _____ Name readable? _____

What did we change, and what happened next?
