Design a Paper Message Pocket

Plan a useful paper product, then test and improve it.

Design a folded-paper pocket for one small paper message. Use paper and optional sticky tape with adult help. No cutting is needed.

Who is it for? _____

Plan the front and back. Label the opening and closed bottom.

Front

Back

Add a name or symbol. Make the pocket with an adult.

Test: does the message fit and stay in when carried upright?

Change one feature. Draw or write what you improved.
