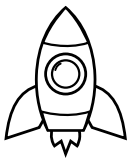
Listen to the Last Sound: t and n

Adult guide: this is spoken-sound practice, not a CVC reading test.

Picture-card sort

Final sound /t/

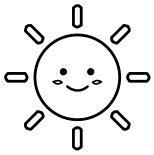


rocket

carrot

heart

Final sound /n/



sun

moon

unicorn

Do the words finish with the same sound?

1. sun and moon: yes.
2. rocket and unicorn: no.
3. heart and carrot: yes.

Name the pictures exactly as printed: rocket, sun, carrot, moon, heart, unicorn. Say each word naturally and listen to its last sound. Keep /t/ short; do not add an extra vowel. Both /t/ and /n/ are final consonant sounds here.

Some picture names have more than one syllable. Labels support consistent naming.
