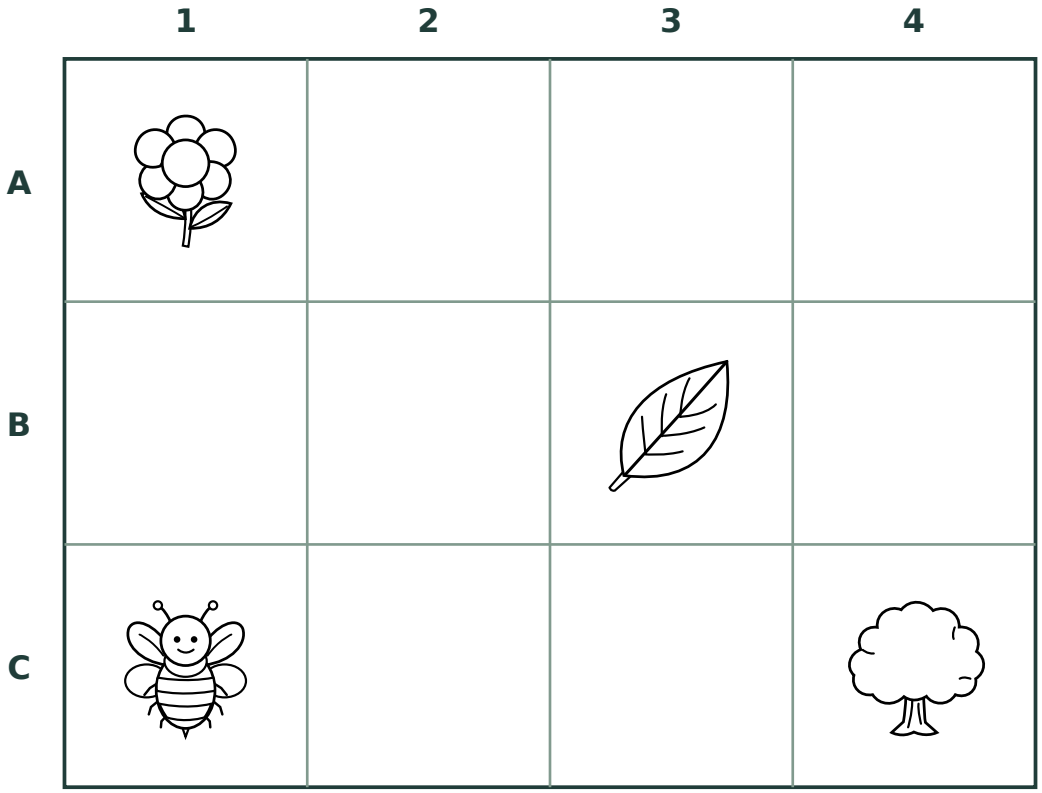
Follow the Garden Instructions

Keep the page this way up. Move from the mark you have just drawn.

TRY IT TOGETHER

One square right means the next square this way. →



Start at the bee in C1. Follow these steps in order.

1. From the bee, move one square right. Draw a circle with a dot inside.

2. From your circle, move one square up. Draw a triangle with two stripes.

3. From your triangle, move two squares right. Draw a star.

4. From your star, move one square up. Draw a square with a sloping line.

5. From your square, move two squares left. Draw a cross.

Where did you finish? Row _____, column _____.

Right and left are your right and left on this page. Up means towards the top.
