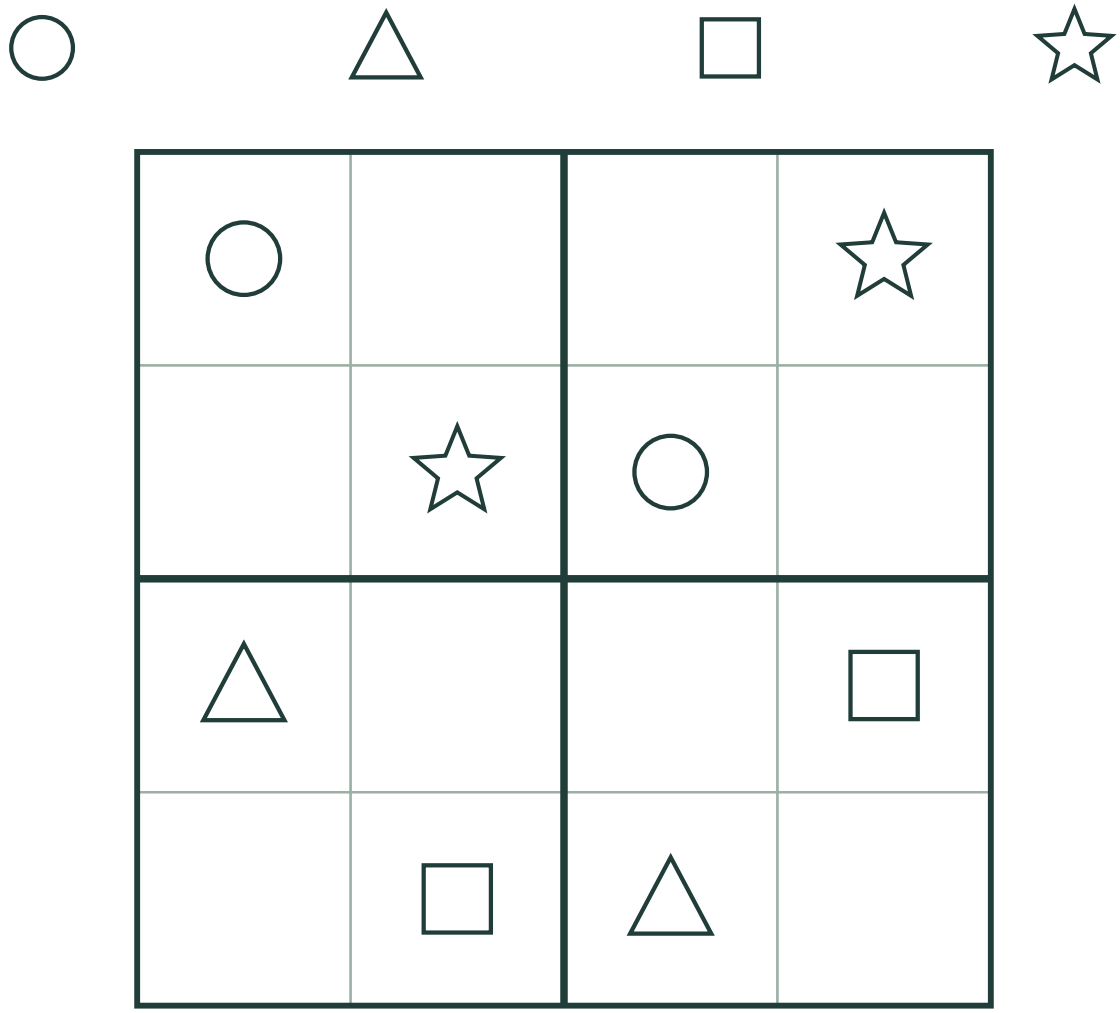
Four-Shape Mini Sudoku

Eight clues help you get started. Keep every printed shape.

Use each shape once in every row and every column.

Each bold 2 by 2 box also needs all four shapes once.



Find one missing shape. Tell an adult how you knew.

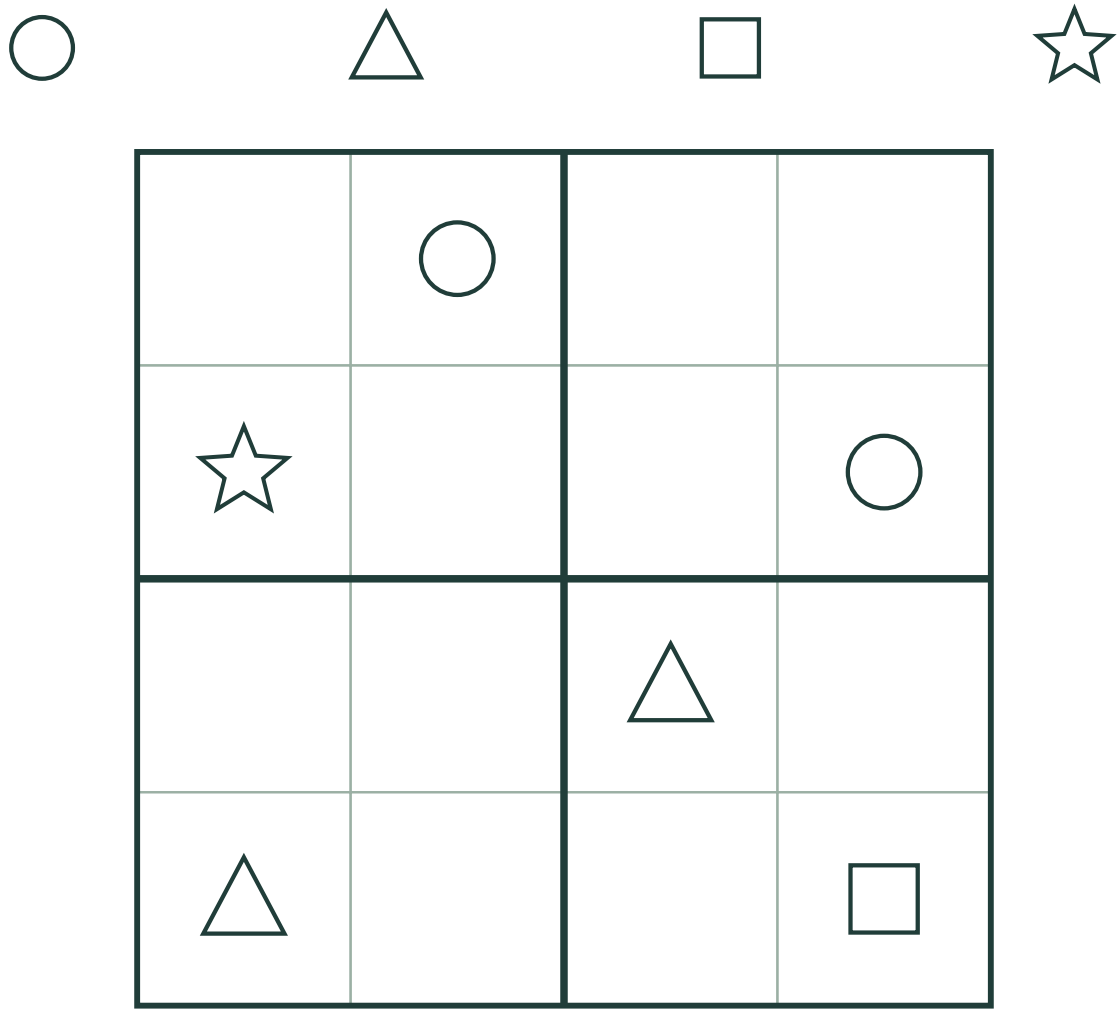
An adult can read the rules and model one deduction.

Four-Shape Sudoku: A New Challenge

Six clues are given. Keep checking rows, columns and bold boxes.

Use each shape once in every row and every column.

Each bold 2 by 2 box also needs all four shapes once.



Find one missing shape. Tell an adult how you knew.

An adult can read the rules and model one deduction.
