Garden Labels: Read, Trace and Write

Read each useful sign. Trace it, then copy it with a clear word space.

1. A sign beside seeds ready to plant.

Read pea seeds one clear word gap

Trace pea seeds

Copy

2. A sign where the soil has just been watered.

Read wet soil one clear word gap

Trace wet soil

Copy

3. A sign for flowers that bees can visit.

Read bee patch one clear word gap

Trace bee patch

Copy

Choose a garden place. Say your own two-word label, then write it.

Point to each word gap. These labels name things, so they do not need a full stop.
