Half Past: Read, Draw and Match

At half past, thirty minutes have passed the hour.

Half past 2 means 2:30.

The long minute hand points to 6.

The short hour hand is halfway from 2 to 3.

Read each clock. Write the hour in the box.

1.

half past **1**

2.

half past **4**

3.

half past **7**

4.

half past **11**

Adult check: the minute hand points to 6; the hour hand sits halfway to the next numeral.

Half Past: Read, Draw and Match

Draw two clocks, then match three more times.

Draw both hands. The hour hand is shorter.

5. Draw half past 3.

Hour hand halfway to the next hour.

6. Draw half past 9.

Hour hand halfway to the next hour.

Match the clocks to the written times

Write A, B or C in each box. Use each letter once.

A

B

C

7. half past 10 **C**

8. half past 12 **A**

9. half past 6 **B**

Adult check: the minute hand points to 6; the hour hand sits halfway to the next numeral.
