Ice Cubes in Two Places

Observe, draw and compare. An adult can write what you say.

With a grown-up, compare two similar ice cubes on matching plates in two safe indoor places. Read the adult guide first.

A is in: _____ B is in: _____

Leave both plates still. Draw what you really see at the same times.

Time	Place A	Place B
Start 0 minutes		
Visit 2 ___ min		
Visit 3 ___ min		

At the last visit, what was similar or different?
