Make a Bookmark That Fits

Plan, make, test in a book and improve.

Plan a bookmark for a real reader. Draw inside the solid line. Ask an adult to help with scissors.

Your bookmark

Plan

Who is it for?

Choose a picture from a story or something your reader enjoys.

Name or short message:

Make

Draw your design on the strip. Cut around the solid line with adult help.

Test

Put a little above the page. Close the book. Can you find your place without folding a page?

Improve

One thing I would change: _____

Print at 100% scale. The strip is 45 mm x 140 mm.
