Odd and Even Picnic Pairs

1. Make pairs with the picnic food.

Join the pictures into pairs. Each picture can be in one pair only. Count any picture left over.

Even: all paired. Odd: one left over.

1. 

Total: _____ Left over: _____ Circle: odd / even

2. 

Total: _____ Left over: _____ Circle: odd / even

3. 

Total: _____ Left over: _____ Circle: odd / even

4. 

Total: _____ Left over: _____ Circle: odd / even

Odd and Even Picnic Pairs

2. Move from pictures to numbers.

Say whether each number is odd or even.

Write the word beside the number. Sketch pairs if it helps.

12 _____

17 _____

20 _____

23 _____

30 _____

31 _____

How do you know that 17 is odd?

Draw pairs or explain with words. An adult can write what you say.
