One More and One Less to 50

Answers and adult support.

Checked answers

7: one less is 6; one more is 8. 12: one less is 11; one more is 13. 19: one less is 18; one more is 20. 25: one less is 24; one more is 26. 34: one less is 33; one more is 35. 49: one less is 48; one more is 50.

Worked example

15, 16, 17 are neighbours on the number track. Moving one place left gives one less; moving one place right gives one more.

Useful support

Let the learner point to a short number track or use counters. Read “one less” and “one more” as changes of exactly one, including across a decade such as 19 to 20.
