The Seed Surprise

Adult guide: accept equivalent wording for the factual answers.

Find the facts

1. Where did Lena put the pot?

By the window.

2. Who wrote BEAN on the card?

Max.

3. How tall was the shoot?

Two centimetres (2 cm).

4. What did Max fetch?

A ruler.

Event order

Numbers in the printed card order:

A: 3 **B: 1** **C: 4** **D: 2**

Chronological order: B, D, A, C. Plant the bean; check the soil; see the shoot; draw it.

Prediction: an open response

Answers will vary. Accept a sensible idea linked to the growing plant, such as a taller shoot or new leaves. A prediction is an idea about what might happen; the story does not tell us what happens next.

Writing is optional: children may give their answers aloud while an adult records them.
