Shape and Size: A Two-Way Table

Two clues decide where each card belongs.

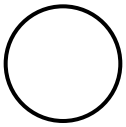
Write each card letter in the correct box. Match its shape AND its size. Use each letter once. You do not need to cut the cards out.

	CIRCLE	TRIANGLE	SQUARE
BIG	____	____	____
SMALL	____	____	____

Six cards

A

B



C

D

E

F

Check each row: are all its pictures the same size? Check each column: are all its pictures the same shape?
