# Wind Watcher: Observe and Record

Use the adult guide before going outside. Record real observations.

Watch with a grown-up in calm, safe weather. Your grown-up holds one end of a broad paper ribbon still. Watch it for about 10 seconds.

hanging down

moving a little

streaming out

These are examples, not results. Your ribbon may move another way.

**Return to the same spot three times. Record what you see.**

Place: _____

**Visit 1**

Time: _____

Draw the ribbon. Say or write what happened.

_____

_____

**Visit 2**

Time: _____

Draw the ribbon. Say or write what happened.

_____

_____

**Visit 3**

Time: _____

Draw the ribbon. Say or write what happened.

_____

_____

**Compare your records. What stayed the same or changed?**
